

objective

To make creative and effective designs.
I enjoy creating all forms of art from print
and illustration to motion and interactive.
I love challenging myself with new opportunities
and seeking projects that can expand my skill sets.

design experience

Artist-in-Residence Workshop 2012

Spring 2012 | Stevenson, MD

Participated in a three day workshop with Carlson Bull from
Bully Entertainments creating ideas for augmented reality and
going through the process of pitching an idea to a client.

Concept art Internship

Spring 2012 - Summer 2012 | Stevenson, MD

Worked with Dr. Bodnar on his educational graphic novel about
bioinformatics. Conceptualized characters and scenery while
also creating mock comic book pages of completed product.

Artist-in-Residence Workshop 2013

Spring 2013 | Stevenson, MD

Participated in a rigorous three day workshop with Gail
Anderson creating a series of posters for the university's
Relay For Life event and experimented with different
forms of typography.

work experience

Student Activities Graphic Coordinator

Spring 2012 - Present | Stevenson, MD

Design posters, banners, door hangers, t-shirts, and mugs for
school events, such as Spring Concert, Homecoming, and New
Student Day. Created a new format for our monthly calendar, so
that it could provide more information about events on campus

Graphic Intern at Tenable Network Security

Summer 2013 | Columbia, MD

Worked with the Marketing Department at Tenable Network
Security for four months. Designed handouts, web images,
presentation diagrams, icons, and collateral. Experienced tight
deadlines and collaborated with marketing to create finished
products from start to finish.
